## Howdy!

*Here is the low down on your picnic at Faulkner's Ranch.*

### How should I dress?

We're a western-themed venue. This is your chance to pull out your boots, hats and get duded up if you want to. Otherwise comfortable clothes will do. We have indoor/outdoor event spaces so dress for the weather. For the little buckaroos ages 3-11, closed-toe shoes are required.

### What should I bring?

Sunblock, sunglasses and a hat are all good ideas. Make sure your phone is fully charged, to capture all of the snap-worthy moments. Please leave your pets at home.

### Should I come hungry?

Yes! Faulkner's prepares all of the food fresh on site. Please let your picnic planner know in advance if you have any dietary restrictions or requirements so that they can make sure there is something on the menu to satisfy you!

### What should I expect when I get there?

Upon your arrival you'll be greeted by your parking assistant who will direct you right where to go. There will be plenty of entertainment and activities for all ages.

### How easy is it to get around?

Very easy! There are paved sidewalks that connect a majority of the activities making it easy for strollers, wheelchairs, and motorized scooters to get from one place to the next.

### How do I get there?

Our address is: 10600 Raytown Rd.  
Kansas City, MO 64134

We're located just off of I-470 (you'll see the Faulkner's Ranch sign right before the Raytown Rd. exit).
